ITS TRANSMIREION OR REVE SUPP. TG 50X1-HUM REPORT NO. THIS IS UNEVALUATED INFORMATION a US exhibit in the front corner windows of a large store on one or the main streets leading from the railroad station to the center of town, near University Park. The exhibit consisted of pictures, one series of pictures with 50X1-HUM with Yugoslav captions. the title "This is the way US farmers live" and it showed a white electric kitchen with a large car outside and all of the latest modern farm appliances. The life of a US farmer was presented in glowing terms. There was another exhibition entitled "Now Well the Whites and Blacks Get Along Together in the US." All the other exhibits were presented in 50X1-HUM this manner. 2. people were two to three deep in front of the windows during most of the day and it was obvious that all of the panels were being road. The reaction of and it was obvious that all of the panels were being read. the people was one of amazement. It was also obvious that they believed no criticism nor bitterwhat they can but they were still amazed the exhibition very favorably impressed 50X1-HUM ทอยธ the people of Zagrob. even though it might have the repotion been overdone in tone, it was a very good exhibition. of the Yugoslav people seemed too good to be true. It was a good doubleedge move because it definitely impressed the Yugoslav people with the UB and at the same time hurt the Communist regime. -ondu. 8.
